Volunteer Communications for Emergencies and Community Service.

REACT was organized in 1962 as Radio Emergency Associated Citizens Teams. Membership is available only through a local REACT Team. The REACT Team is composed of local citizens who provide volunteer emergency and public service communications to serve the community. The objectives are to support highway safety through monitoring of Emergency Channel 9 in the Citizens Band Radio Service, and supplementary communications in case of disaster, and general public service support for all worthwhile community activities.

REACT Teams have been active in every major disaster in the United States and provide support for communications in such programs as Special Olympics, March of Dimes, Walkathons, Bike-A-Thons, local July parades, and other important community service activities.

How To Join REACT

Contact your local REACT Team or REACT International, Incorporated, 3653 Woodhead Drive, Northbrook, Illinois 60062.

Membership in REACT includes coverage under our \$1,000,000 general liability insurance policy, and benefits of REACT's group tax exemption in the U.S., which permits local REACT Teams to accept tax-deductible contributions and for individual REACT members to deduct their out-of-pocket costs on their individual federal income tax returns. Individual members receive REACT's award-winning official bi-monthly publication, *The REACTer*.

Support REACT

Your donation to your local REACT Team or to REACT International is tax-deductible on your personal federal income tax return. Your support will help REACT to improve coverage of CB Emergency Channel 9 and to develop new and effective communication systems to support local emergencies and public service activities.

How To Call For Help On CB Emergency Channel 9

CB DISTRESS CALL

"EMERGENCY...EMERGENCY. ANY STATION...ANY STATION. THIS IS (I.D.), I AM ON (HIGHWAY)*, ABOUT 4 MILES SOUTH OF (CITY) IN (STATE/PROVINCE). THREE PERSONS ARE INJURED. TWO VEHICLES HAVE COLLIDED. PLEASE NOTIFY POLICY." (PAUSE, REPEAT) "EMERGENCY, EMERGENCY..."

*Boaters give waterway, position, landmarks, etc.

ALWAYS GIVE MESSAGE. DISTANT, UNHEARD MONITORS CAN SEND HELP.

BBROADCAST YOUR **CLIP** SLOWLY, CLEARLY.

CONTINUE UNTIL YOU RECEIVE HELP OR A REPLY.

CB DISTRESS DATA

CALL SIGN—Identify yourself, vehicle/boat.

LOCATION—Be exact. Include State/Province.

INJURIES—Number. Type. Trapped?

PROBLEM—Give details and help required.

Air **CLIP** repeatedly so any monitor can aid you.

Cobra's new 29LTD... 4th generation of the classic trucker's CB.

Best reason in years to move up to state-of-the-art CB performance.

Cobra's new 29LTD 40-channel mobile CB follows the tradition of three generations of trucker-proven 29's. Punching through with all the advances in circuitry, features and design that made each of its predecessors the leading CB on the road. And shows you some new tricks of its own.

Like instant channel 9. Overrides whichever channel you're using and instantly selects emergency channel 9, at the flip of a switch.

And when you send or receive,

punching through loud and clear is what the 29LTD is all about. Thanks to features like DynaMike, RF Gain, SWR Bridge, Noise Blanking, ANL and Delta Tune.

Even simple things have been improved. Our new LED channel display color is easier to see in daylight, reduces glare at night.

It's also nice to know that Cobra's nationwide network of Authorized Service Centers can give you fast help, if it's needed.

Your old CB had it? Move up to the new standard for the 80's... great-grandson of punch, the Cobra 29LTD.

Punches through loud and clear.

GREAT-GRANDPUNCH

GE PRESENTS THE GOLD STANDARD IN TELEPHONES.

What you see here is solid proof that not all phones are the same.

The General Electric telephones are built to sell, stay sold, and may just become the new standard in telephones.

THE QUALITY RINGS TRUE.

Because of their built-in quality—from long-life, non-corroding, gold-plated keyboard contacts to high-grade components—the GE phones have passed rigorous durability tests.

WARRANTIES THAT ARE ANYTHING BUT STANDARD.

We're so sure of our phones' reliability we back them with a two-year full warranty. No one else comes close. Our cordless phone, the Voyager, has a one-year full warranty.

Long-life, non-corroding, gold-plated contacts.

A FULL TELEPHONE LINE.

Cordless phones, with "anti-piracy" system and clear channel switch for increased privacy.

Desk-top phones that are also true wall-mount phones, so you carry just one SKU.

And clock-radio telephones that save space.

THE GOLD STANDARD SUPPLIER.

Only GE gives you a direct hookup to everything from co-op plans to prepaid freight.

For more information and the location of your nearest GE representative, call The GE Answer Center,™ toll-free, at 800.626.2000, seven days a week, day or night.
