A Word About the Editor's Position

REACT International is STILL looking for a new Editor for The REACTer!

This position offers a nominal salary, which will be determined at the time of hire.

The successful candidate will have excellent writing skills, the ability to collect information and news, particularly Team News, for the magazine, and be able to work either with Adobe InDesign, Adobe Pagemaker or LucidPress, which is the current program being used. Past Editor Will Stanley has informed us he will make the program available if desired.

The *REACTer* is the primary communications tool between the members and *REACT* International and so plays a very important part in the organization. The new Editor will have complete control on what the magazine looks like while working with *REACT* President John Capodanno on content.

Do YOU have what it takes? We KNOW there has to be someone out there who is qualified! Step up and let's hear from you. Make a difference!

Contact *REACT* International at 301-316-2900 or email at RI.HQ@REACTIntl.org.

The *REACTer* (ISSN 1055-9167) is the official publication of *REACT* International, Inc., a non-profit public service corporation.

DIRECTORS ELECTIONS RESULTS

Elections were held with March 15 the deadline for getting candidate nominations in. They were counted in June and the results are in. Regions 1, 4 and 7 were up for election. This year saw a new face up for consideration. Mr. Riley Frazee from Colorado. Nice to see new people getting interested! He didn't win this time, but there's always next time and you never know!

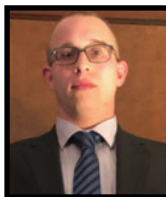

And the winners are....

Region One

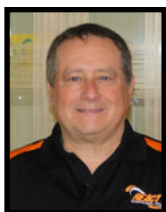

Warren Deitz. Warren has been the Region One Director in the past and has a strong belief in the *REACT* Organization. He plans to represent all of the Teams in his region and work closely with the Board at *REACT* International.

He is a Life Member and has been a member of *REACT* for 45 years.

Region Four

Matthew Vizzuso. Matthew states he "can bring a younger perspective to the Board of Directors." He plans to re-visit multiple Teams during his term and wants to get to know *REACT* and all people involved, to listen to complaints and assist Teams through. He wants to help this organization grow into what it's meant to do.

Region Seven

Jerry Jones. Jerry has been Region Seven Director since 2016. He is Life member (601) and current President and Director of Dallas County *REACT*, Team C622. He states he will continue to represent Region 7 at all RI meetings and make himself available to support and provide needed resource to his Teams.

CONGRATULATIONS TO ALL!

In 2022, Regions 2,5 and 8 will be up for election. If you want to run, get prepared NOW!

NEWS

FROM THE

FRONT LINES

Dutchess-Putnam County *REACT*

New York

Submitted by Joseph Namer

Putnam County *REACT*, team #3938 in Putnam County N.Y. is proud to announce the arrival of our new field operations vehicle, the “Fieldcom”.

This new vehicle will greatly enhance our team’s ability to respond to any situation along with other emergency service providers in Putnam County N.Y.

The vehicle is a Chevrolet Step Van which was previously owned by the Putnam County OHIO Fire Department.

The vehicle came already outfitted with emergency lighting and scene-lights and we have had the vehicle exterior re-painted with our team name and logos.

The interior has been gutted and we will soon be-

gin customizing the interior to meet our needs. Step 1, wiring for our radios, has already been completed along with running the required antenna lines.

We have an agreement with Putnam County, N.Y. We have provided the vehicle and they now officially own the unit. It has county official license plates, and it is covered by the county insurance. When the interior is completed, we will be able to handle dispatch duties for the Sherriff’s department in addition to our own members.

We are anxiously looking forward to working with this new tool to enhance the safety of our community.

Southern MN Albert Lea REACT

Minnesota

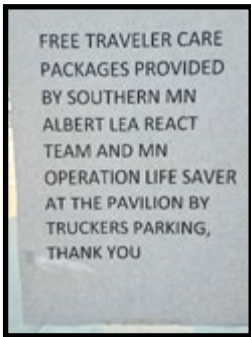

Submitted By Leland Johnson

SOUTHERN MN ALBERT LEA REACT Team provided snack packs and cold water to travelers at the MN rest area located at the 1 mile marker northbound on I-35.

We started on Saturday July 3rd at 7am until 9pm and then the same time on Sunday July 4th. Monday July 5th 7am to 6pm. We averaged 20 people each day.. Sunday was very windy.

We also passed out MN Operation Lifesaver information, Remember: ANYTIME IS TRAIN TIME AT RAILROAD CROSSINGS.

Our goal is to get travelers to stop, stretch their legs and wake up to continue traveling safely. Before Covid- 19 , Albert Lea REACT Team served coffee, cold drinks and snacks. We gave out information on REACT and MN Operation Lifesaver. Hopefully we will be inside next year. An elderly lady walked to our stand. I knew what she needed, a cold bottle of water. I helped her back to her vehicle for her husband.

She was very thankful.

A deed very well done.

REACT provides Safety through Communications. Thank You to our REACT members for volunteering and Thank you Leland Johnson, Secretary and Co- Chair person with Betty Anderson, Treasurer for our safety break!

(Ed. Note - see the Operation:Lifesaver article next page)

Cleveland County REACT

North Carolina

Submitted by Jay Flora

CCR had a good time helping the Shelby Police Department at the 2021 July 4th Celebration.

It was a very good fireworks show. It was packed! After it was over, the traffic was really bad as happens at events like this. (Photo of fireworks courtesy of Shelby Star ©2021Shelby Star)

Barrie Poole-Adams (R17) by Chief Flora's patrol car

SPD posted me on West Sumter St at Springdale St to help in traffic flow. We had the area cleared in good time.

SPD Lt. Flowers (far right), Sgt. S Porter (far left) Sgt. Gabe McKinney (next to Flowers) and two officers preparing for the event.

What IS Operation: Lifesaver?

Randy Schulz
Operation Lifesaver Authorized Volunteer

In 1972, a Union Pacific employee working with the support of many Idaho Communities to establish a State wide Operation Lifesaver program. The 1st year accidents dropped by 39%. Encouraged by the results, the UP helped Nebraska start a state wide program in 1973. That year the number of collisions was reduced by 46%. I am happy to report, as of today, we have seen an 82% Decline since 1972 with a high of roughly 12,000 annual incidents to approximately 2,200 incidents in 2019. Most of what we talk about are things that people have just started taking for granted and don't always think about or pay attention when crossing tracks. Operation Lifesaver program is also in other countries helping to reduce their accidents.

We talk about the 3 E's which are: Education, Engineering and Enforcement at Railroad crossings.

Education – Operation Lifesaver educates the public of all ages about grade crossing and pedestrian safety. We hope people will share what they learn so there will be less accidents/incidents at railroad crossings.

Engineering- is responsible for keeping the crossings as safe as possible and making improvements where needed.

Enforcement – Operation Lifesaver encourages an active enforcement effort. If existing laws governing crossings are not enforced, they will be ignored or broken. Collisions will continue to happen.

We talk to people of all ages, using age-appropriate information and materials. You are never too young to help spread the word. When I first started, I talked to some preschool children and when their bus driver got to the crossing, they were so quiet she put the bus in park and put the break on and ask the children what was going on. They told her about what we talked about and by the end of the next week I was talking to her and other school bus drivers. We have presentation for everyone from drivers like you, truck drivers, bus drivers, student

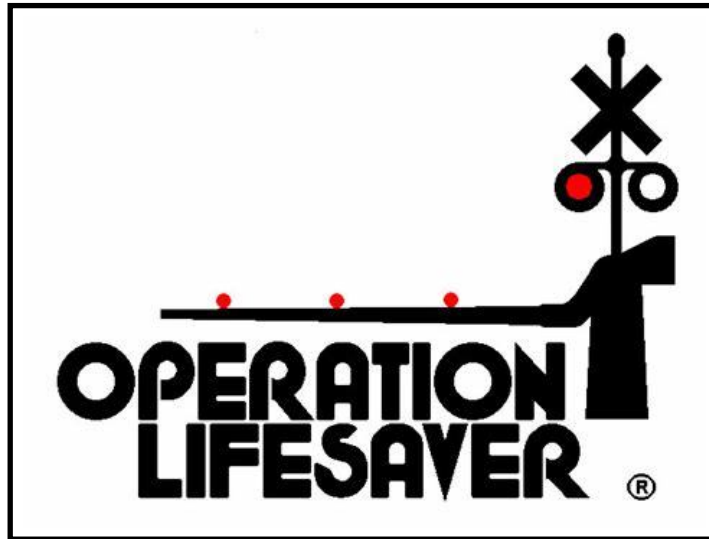

drivers, emergency responders, police officers and pedestrians. Something for everyone no matter what you drive or how old you are.

Young children like the preschoolers and elementary age

absorb the knowledge and repeat it to others, parents, grandparents, etc. I am still greeted at local stores, events and schools as "The Train Man". Some young children, some teenagers, adults and often parents that tell, about their child and the impact this program made on them and their families.

In America, a person or vehicle is hit by a train roughly every 3 hours and that is a reality we are committed to change, by talking to people about what they do at Railroad crossing, around tracks and railroad property. Trespassing

is covered in our talks to remind us that tracks and bridges are railroad private property. 2/3 of collisions happen in daylight hours and 1/4 (25%) of collisions is where the car runs into the train. Half (50%) of collisions happen at crossings with automatic warning devices. Most fatalities occur within 25 miles of the driver's home with the train moving 35 mph or less, the driver being 30 years old on average. Trains have the right-of-way. When you been crossing the tracks and have not seen a train in a while; you still need to stop; as train schedules change all the

time. You can not be replaced. Always take the safe way. At a crossing that is blocked for a long time, never should pedestrians cross between the train cars, because train cars can move without warning. You can reschedule a doctor's appointment or explain why you are late to school. You cannot be replaced. Placing items on tracks can become a maiming or deadly reaction for individuals, derailment can also result from this action. "Look- Listen- Live" is also a slogan to remind all of us to be aware around railroad tracks and crossings. It can take over a mile (5280 feet) to stop for a train to stop traveling at 55 MPH.

We used to be known as Operation Lifesaver presenter's a few years back we were changed to: Operation Lifesaver Authorized Volunteer. (OLAV). We have volunteers in every walk of life, from railroad workers to police officers, minister and teachers. If you would like to help, make your community safer, along with more information about Operation Lifesaver, just contact your state's Coordinator. There is a place on the site to fill out the form to become a prospective volunteer by using the on-line OLAV application. This can be found on the Operation Lifesaver site. Oli.org

REACT International
Annual Board meeting
March 1, 2021.

Meeting called to order on Zoom at 7:00 am PDT by Chairman Capodanno.
Roll call was taken by Chairman Capodanno,
Minutes Taken via Recording for Acting Secretary William Stanley:
A moment of silence was observed for all *REACT* members that passed on in the last year.
The Pledge of allegiance followed.

Board Members

John Mahon – Region 1
David Perry – Region 2
Joe Zych – Region 3
Jeremy Barrett – Region 5
Tom Jenkins – Region 6
John Capodanno – Region 8
Robby Goswami – Region 9

Regions 4 and 7 are vacant

Officers

A	John Capodanno – President	P
A	Tom Jenkins – Exec. Vice President	P
P	Secretary	V
A	Russ Dunn – Treasurer	A
P		
P		
P		

A=Absent P=Present V=Vacant

Guests present are Kirk Paxson, Ryan Reid, and Connie Pico.

Procedural Note: Team C663 Heartland *REACT* has not renewed and is not in good standing. As such, Mr. Jeremy Barrett is deemed to have self-resigned, as of March 01, 2021.

Director Goswami moved to accept the agenda, second by Director Zych.
motion passed.
(R3-Yes, R6-Yes, R8-Yes, R9-Yes)

Director Jenkins moved to approve the minutes from September 27, 2020, second by Director Goswami. motion passed.
(R3-Yes, R6-Yes, R8-Yes, R9-Yes)

It was noted in a message that Chm Capodanno received that the Board Meeting was being broadcast to Facebook. Chm Capodanno greeted the Facebook viewers.

OLD BUSINESS

Chm Capodanno discussed the online membership page, stating he was working on it. And when finished the members would be able to log in and update their personal information.

Chm Capodanno announced that the *REACT* store will be ready. The URL is store.*REACT*intl.org. Director Jenkins asked to have the store's URL repeated. It was given again.

NEW BUSINESS

Membership Report - Current members of the organization number 1050. He showed a form and stated he would send a copy of it to the Directors.

Gender Policy - Chm Capodanno stated that we are going to do the gender policy so that it is nice and easy, we are going to create an Ad Hoc committee to go through the policy and refine it.

REACT VEC – Chm Capodanno turn the mic over to Director Goswami. He discussed the idea of a VEC for the 60th Anniversary meeting. Further discussion was held. (VEC stands for Volunteer Examiner Coordinator)

60TH ANNIVERSARY REPORT

Discussion was held regarding the 60th Anniversary Celebration meeting. Surveys will be sent out to see what interest there is. Director Jenkins suggested using the *REACT* RadioGram to do the surveys. Chm Capodanno agreed and said we have a survey tool, called Survey Monkey that we could use that allows for multiple choice questions.

The REACTer

Chm Capodanno stated that we need a new Editor and that the last issue that came out, he had done the best he could, but he was not a graphics person so if it looked a little odd, that was on him.

The REACT Store

Chm Capodanno reiterated that the store will be up soon and repeated the URL.

REACT Audio Training

Chm Capodanno stated that we were going to put together a program where the *REACT* training materials would be recorded into audio files. He also stated that the *REACTer* is being sent to the National Federation for the Blind so that it can be read by the hearing impaired.

IRS 990 FORMS

Chm Capodanno announced that the 990 forms are done and have been sent out. He was preparing the Illinois 990 and the California 990, and they would be done shortly.

OFFICE REVIEW

It is not done yet. Chm Capodanno stated he needed to get together with Director Goswami to get it done.

Director David Perry - R2 arrived approx. 7:45 am PT. Director Perry asked if the meeting had been moved up. Chm Capodanno replied to it had not. Chm Capodanno reiterated the items that had already been discussed.

BUDGET

Budget not yet available. Issue tabled.

TRAINING REPORT

Kirk Paxson (Training Chm) discussed training exercises that were being done. Further information was given on the various types of resources that would be needed and how they would be trained and/or credentialed.

DIRECTOR REPORTS

Chm Capodanno stated he had sent the Director Reports to everybody and asked if anyone had any questions. There were none.

OFFICERS REPORTS

Chm Capodanno asked if anyone had any questions about anything that might be going on. Director Perry stated he had not received the Director's Reports and asked when they were sent out. Chm Capodanno replied they had been sent out last night with the agenda. Perry located the email and acknowledged he had the material.

Jeremy Barrett arrived at 7:58 am PT.

Director Jenkins moved that the Board go into Executive Session, seconded by Director Zych.

Motion passed

(R2-Yes, R3-Yes, R6-Yes, R8-Yes, R9-Yes)

<EXECUTIVE SESSION>

The Board entered Executive Session at 8:09 am PT.

The Board exited Executive Session at 8:15 am PT

No action taken in the session.

Director Jenkins moved to accept the self-resignation of Jeremy Barrett from the Board due to the non-renewal of his Team (Heartland *REACT*), per *REACT* International By-Laws and policies. Seconded by Director Zych. Motion passed.

(R2-Yes, R3-Yes, R6-Yes, R8-Yes, R9-Yes)

ELECTIONS

There were 4 nominations for Executive Vice President. Nominations were Joe Zych, Tom Jenkins, Will Stanley and Jeremy Barrett. Board members voted by email/text. Vote was a tie between Tom Jenkins and Joe Zych. A runoff vote was conducted. Executive VP is Tom Jenkins.

Director Jenkins left the meeting at 8:26 am PT.

There was one nomination for Secretary. That nomination is Robby Goswami. Chm Capodanno asked Goswami if he would accept the position. Goswami respectfully declined. Chm Capodanno asked for additional nominations. There were none. The position will remain vacant.

There was one nomination for Treasurer, that nomination was Russ Dunn. Director Capodanno moved to accept Russ Dunn as Treasurer, seconded by Director Perry. Russ Dunn will be Treasurer.

(R2-Yes, R3-Yes, R8-Yes, R9-Yes)

There was one nomination for Chairman. That nomination was John Capodanno. Director Goswami moved to accept John Capodanno as Chairman, seconded by Director Perry. John Capodanno will remain as Chairman.

(R2-Yes, R3-Yes, R8-Yes, R9-Yes)

There was one nomination for Vice Chairman. That nomination was Robby Goswami. Director Zych moved to accept Robby Goswami as Vice Chairman, seconded by Director Perry. Robby Goswami will be Vice Chairman. Robby Goswami will be Vice Chairman.
(R2-Yes, R3-Yes, R8-Yes, R9-Yes)

COMMITTEES OF THE BOARD

Finance Committee: The chairman is automatically the Treasurer. Tom Jenkins and John Capodanno are members. Director Goswami moved to accept both, seconded by Director Zych.
Motion passed.
(R2-Yes, R3-Yes, R8-Yes, R9-Yes)

Membership Committee: Consists of 4 Board Members and others. John Capodanno automatically sits on the committee. Nominated for membership were John Mahon, Joe Zych, Tom Jenkins, Robby Goswami, Stan Walters. Director Goswami moved to accept, seconded by Director Perry. Motion passed.
(R2-Yes, R3-Yes, R8-Yes, R9-Yes)

Office Review Committee: Nominated for the committee was Robby Goswami. Director Capodanno moved to accept, seconded by Director Zych. Motion passed.
(R2-Yes, R3-Yes, R8-Yes, R9-Yes)

President's Committees: (No votes required – The President sits on all in addition to others.

- IT Committee, needs members.
- Celebration Committee, Tom Jenkins, Joe Zych, Jay Flora, Robby Goswami, Kirk Paxson and Will Stanley are all on the committee.
- By-Laws and Policies Committee, Jeremy Barrett, John Mahon, Stan Walters, and Tom Jenkins are members.
- Training Committee, Kirk Paxson, John Mahon and Robby Goswami are members.

GOOD OF THE BOARD

Additional questions, answers, and discussion by Kirk Paxson regarding the VEC.

NEXT MEETING

Will be May 5th at 9:00 pm PDT.

MOTION TO ADJOURN

Director Goswami moved to adjourn; Director Zych seconded. Motion passed.
(R2-Yes, R3-Yes, R8-Yes, R9-Yes)

Meeting adjourned at 8:51 am PDT.

Respectfully Submitted
William Stanley
Acting Secretary

Stay Cool this Summer

As you begin to plan your summer activities and vacations, don't forget to plan for extreme heat. Extreme heat events are expected to become more common, severe and longer-lasting in the United States. Extreme heat events are a long period of time (2-3 days) of high heat and humidity with temperatures above 90 degrees.

Heat can be a killer. The combination of hot weather and high humidity can cause heat-related illnesses to set in, which may lead to death. Those who are at highest risk of heat-related illness include people aged 65 and older, children younger than two, people who are pregnant, and people with chronic diseases or mental illness.

During extreme heat events, make sure to connect with family members, friends and neighbors and remind them to take protective actions. The National Weather Service recommends the following tips:

- Hydrate. Whether you feel thirsty or not, drink plenty of water to avoid becoming dehydrated, especially when you're working or exercising

outside.

- Educate yourself. Keep up with the latest temperature and heat index forecasts and current readings (take actions to stay cool and safe when the temperatures hit 85 degrees or the heat index hits 90 degrees). Know the warning signs of a heat illness, and how you can stay cool.
- Act quickly when a heat illness is suspected. Seek medical attention immediately for any of these warning signs: cramping, rapid pulse, heavy sweating, hot red skin, dizziness, confusion, nausea, vomiting.
- Take it easy. Anyone working or exercising outdoors should avoid overexertion, especially between the hours of 11 am and 6 pm. Take hourly breaks in the shade or in air conditioning.

The best time to prepare for an extreme heat event is now. The Environmental Protection Agency (EPA) and Centers for Disease Control and Prevention (CDC) suggest checking your household fans, air conditioners and other cooling equipment each spring to make sure they are in good working order. They recommend taking other mitigation steps in your home, like planting trees in strategic locations, installing a cool roof and using cool paving materials in your driveway.

Stay informed! Look up the location of your nearest cooling center, which are buildings (e.g., libraries, shelters, community buildings) with air conditioning that are designated as a safe location during extreme heat events. Check the weather before heading outside and sign up for heat alerts. In fact, you can download the FEMA App to receive real-time alerts from the National Weather Service. Visit Ready.gov for more tips and to learn more about extreme heat.

REACT International: 301-316-2900 (Inter-Office Phone: Ext 114)

email: editor@thereacter.com

Items on the calendar are as accurate as we can make them but are subject to change.

Any questions ... contact the person in charge of the event

*Most National/International Holidays are now in the calendar. They are in **BOLD PRINT***

We're America's Hobby Radio Magazine

There is only **ONE** regularly published magazine that covers CB radio, scanners, two-way radio, GMRS, FRS and MURS!

Check out **NATIONAL COMMUNICATIONS MAGAZINE!**

NATIONAL COMMUNICATIONS

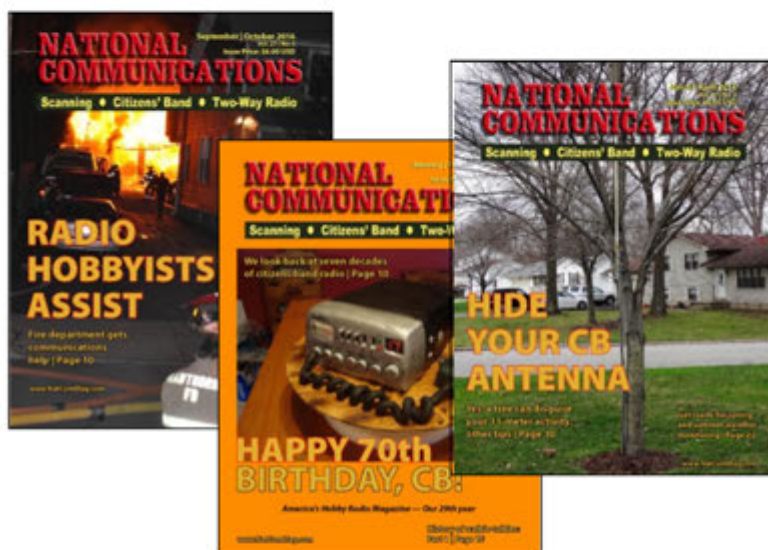

Scanning • Citizens' Band • Two-Way Radio

NatCom publishes six times a year and persons with an online access account get access to not only the current issue of the magazine in PDF format, but also every issue of the magazine published going back to 1988! That's 29 years of pure radio communications reading!

NatCom covers listening to the scanning bands so you get the most out of your scanner, how to get more out of your CB equipment and how to use the MURS, GMRS and FRS bands. No other magazine covers ALL these hobby radio topics!

NatCom is only available online and online access account holders are given access to the current issue as well as every issue back to 1988. We're **America's Hobby Radio Magazine**, the oldest continually published communications magazine!

Join the NatCom family today and order your online access account. One year of online access costs **only \$25**, while we are offering for a limited time two-year online access accounts for \$48 (a \$2 savings) and three-year online access accounts for \$70 (a \$5 savings).

To order your own online access account, go to www.NatComMag.com and click on "Click here to subscribe online." There also is a link for a **FREE ISSUE DOWNLOAD** to check us out!
